- Happy Kids Childcare
- Get Credit Healthy
- Jewish Community Services
- Open Arms Community Center
- Playing the Game of Life
- Rose Lesniak, Dog Trainer
- Switchboard of Miami
- Teen Job Corps
- The On It Foundation

# The Children's Trust RFP

In anticipation of RFP but recognizing the need to adapt based on the actual RFP, we suggest building on the existing brand but expanding like-focused services to new populations.

**Since the RFP release was delayed, staff presented the framework under which the RFP response would be structured. The actual submission is contingent upon the RFP parameters.**

# Trust RFP Approach

- ⚙ We will build on existing service models to target distinct, new populations:
  - ⚙ Children facing in-home suspensions from school
  - ⚙ Children engaging in problematic behavior
  - ⚙ Children reacting to trauma
- ⚙ We will seek additional best practices to augment care coordination, FGC and *7 Habits* such as:
  - ⚙ Restorative Justice
  - ⚙ Triple P
- ⚙ Our service core will continue:
  - ⚙ Intakes & assessments
  - ⚙ Care coordination
  - ⚙ Family Group Conferences
  - ⚙ Counseling
  - ⚙ Youth employment

**Three populations and two new best practices are proposed, contingent upon RFP.**

# Trust RFP Approach

- ⚙ **We will strengthen fidelity across the service spectrum by:**

- ⚙ Enhancing required trainings for all frontline personnel:
  - ⚙ Intake & assessment
  - ⚙ MB Helpers
  - ⚙ FGC audit
- ⚙ Including ACCESS Center consent at intake
- ⚙ Performing field fidelity reviews of all frontline personnel
- ⚙ Conducting random desk audits of intakes, FGC contracts
- ⚙ Ensuring an independent, autonomous process for Care Plan design

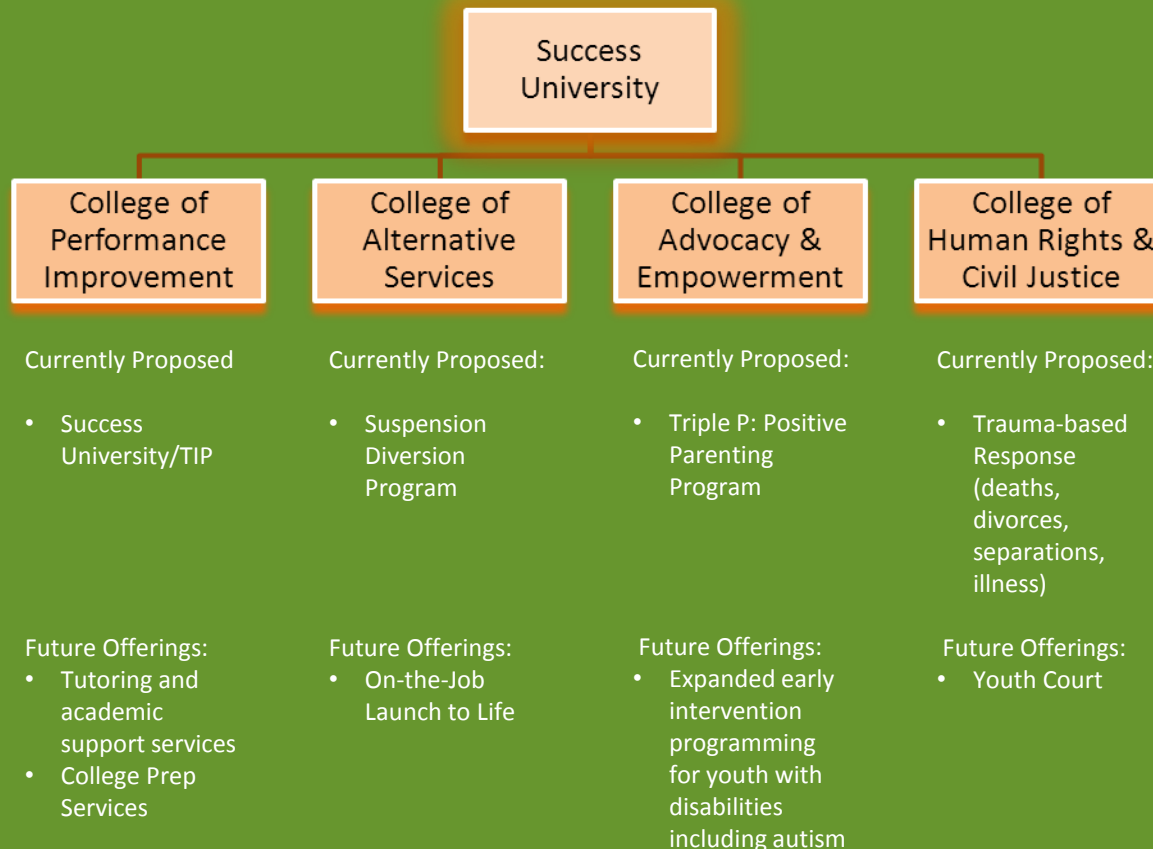

- ⚙ **We will enhance agency capacity by adding Triple P to best practices**

- ⚙ **We will enhance home-based approaches by providing:**

- ⚙ Home-based health assessments and chronic illness management
- ⚙ Credit score counseling services with established eligibility
- ⚙ Home-based tutoring services

**Our programmatic recommendations allow for capacity building and skills strengthening.**

# Trust RFP Approach

**Our RFP response factors in future programming all the while understanding to build in a linear manner using a strengths-based approach.**

# Collaboration Consulting

**HITTING OUR TARGET OR ELSE 010411 - Microsoft PowerPoint**

**ON TARGET**

We need more interagency service corridors

Find a natural synergy that matches agency assets and strengths to a complementary agency. The synergy must be client-driven.

**Populations Targets:**

- ▶ Youth
- ▶ Families
- ▶ Elderly
- ▶ Non-parent caregivers
- ▶ Domestic violence survivors
- ▶ New immigrants
- ▶ Anyone and everyone

**Client Targets**

- What shared populations can you serve?

**Fiscal Targets**

- Can you provide needed services in a cost-effective manner?

**Outcome Targets**

- What outcomes can your combined efforts achieve?

**Geography Targets**

- What areas can we serve with fidelity?

The key is to promote strategic interagency partnerships that build on existing strengths..

Goal is to develop interagency collaborations that address sustainable service corridors and seek additional funding sources.

# Collaboration Consulting

- ⚙ Group consulting will focus on collaboration models, program design and sustainability
- ⚙ Groups must be comprised of at least three agencies
- ⚙ Up to 3-hour session can be scheduled
- ⚙ Initial funding source should be identified so as to focus efforts
- ⚙ Agencies can participate in a maximum of two sessions

**These parameters will be enforced so agencies are asked to think strategically and long-term.**

# Good & Welfare

- ☼ *7 Habits of Highly Successful Families* session being offered Saturday, November 17th. Contact Talmage for referrals.
- ☼ CEO Series 2012: Sequestration and its Impact on Non-Profits being held Friday, December 14<sup>th</sup> at 9am in the City Manager's Large Conference Room.
